Re: Amended April Quarterly Report (1/1/05-3/31/05)

Dear Bradley,

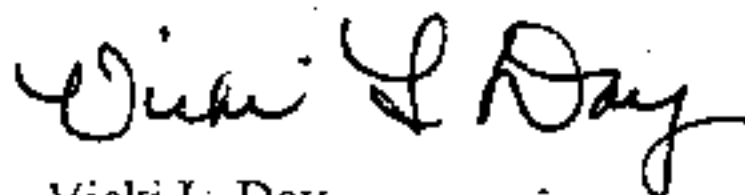

This letter is in response to your letter dated August 12, 2005, requesting clarification of administrative expenses for New Vision America Fund for the 2006 election cycle.

The New Vision America Fund does not have an office, therefore does not incur expenses for rent and utilities. The Fund does utilize a fundraising consultant in Washington who directs all the activities of the Fund from her offices.

The Fund also utilizes the services of Collins Day which provides accounting, compliance and report preparation services. These services are performed in the Collins Day office.

Therefore, the reports are correct in regard to the questions raised in your letter. If you need any further information or clarification, please don't hesitate to call. We can be reached at 408-271-2619.

Sincerely,

Vicki L. Day
